All Corners of the Island Tour / Neds Beach Fish Feeding and Snorkelling – Shell Finding

All Corners of the Island Tour gather at the Coral Café for breakfast before embarking on the Chase 'n' Thyme Island Tour led by hosts Janine and Peter – a fun and informal bus tour of Lord Howe Island. This tour offers a unique opportunity to hear about the island from the perspective of resident locals.

To ensure a personalised experience, the group will be divided into two smaller, intimate groups, allowing everyone to comfortably immerse themselves on the tour. Janine, a fifth-generation islander, brings a wealth of knowledge; her great-grandfather served as the island's postmaster, with many published photos and memoirs of him in the island's history.

During the three-hour tour, you'll learn about the island's history, culture, and natural beauty from a personal perspective. Following the initial exploration, a seamless swap between the groups will occur, guaranteeing everyone gets a comprehensive experience. As we share our experiences, the island will unravel before us, becoming more familiar, creating lasting memories.

In the afternoon, travel to Ned's Beach – a gorgeous beach that offers inviting experiences, including leisurely walks. Prepare to be delighted as schools of large blue fish swim right up to you, eager for fish food that is provided. Spend some time swimming or snorkelling (bring your own gear or hire it at own expense). Explore the rockpools (be sure to bring reef shoes, which are very handy!). It's a tranquil slice of paradise, perfect for unwinding and soaking up the island's serene atmosphere.

Yes, taking a walking stick on tour is perfectly fine as long you are able to meet the fitness rating for your chosen tour.

- Walk on mostly level ground
- Tackle an occasional flight of stairs or incline
- Occasionally need to stand for up to 10 minutes
